**Striking Through Cancer at the Insuperity Invitational
3 p.m. May 2
The Woodlands Country Club Tournament Course**

HOUSTON □ Volunteers, spectators and Champions Tour players will have an opportunity to strike through cancer — literally — at an interactive booth presented by The University of Texas MD Anderson Cancer Center, a sponsor of the Insuperity Invitational at The Woodlands Country Club Tournament Course.

At the Strike Through Cancer Art Wall, which spans 12 feet long and 8 feet high near the 17th hole, cancer survivors, Insuperity Invitational volunteers and players will show their support to end cancer by coloring in red within the outline of the institution's symbolic "strike through cancer" logo and adding their personal messages.

Capture the action as the iconic red line grows with signatures illustrating commitment to Making Cancer History®. The installation will be open to the public throughout the tournament to send a message of hope and inspiration for cancer patients and their loved ones.

The PGA TOUR must credential all media. Go to www.insuperityinvitational.com/media by April 30 to receive your pass and parking instructions.
