

Dear Members of the Media,

The Insperity Invitational presented by UnitedHealthcare is now accepting media applications for the tournament to be held April 27-May 3, 2015.

As we have in the past, credential distribution will be conducted through our golf media website, www.pgatourgolfmedia.com. If this is your first time using the site, you will go through a brief registration process. Once you receive your confirmation via e-mail, then you can go through the application process. I'm certain you will find pgatourgolfmedia.com an informative site for up to date information on the Champions Tour and the Insperity Invitational.

- Go to pgatourmedia.com
- Register, if not previously registered
- Click on Credentials and follow directions for applying for the Insperity Championship.
- Don't forget to hit "submit" when finished.

If you have any questions regarding the Insperity Invitational contact Chris Dornan or Lee Patterson. If you have technical problems with the website or making your request online, contact PGA TOUR Communications department at 904-285-3700.
