

**ROUND 2 INTERVIEW**  
**May 5, 2018**

**BERNHARD LANGER (-9)**

---

**Q. Thoughts on the day? You're still leading.**

**BERNHARD LANGER:** Yeah, it was a tough day. The wind was up and the pins were difficult at times. I just didn't make as many birdies. I played really good actually for the most part. Missed a really short one there on 17. Actually, three-putted from 12 feet or so for that. That one hurt. Otherwise, I played pretty solid, just didn't get much going.

**Q. You want your fourth. How do we get it tomorrow?**

**BERNHARD LANGER:** Got to go a little lower than I did today. Got to go in the 60s, I think. Yeah, I let a lot of people back in the tournament, so it could be a shootout tomorrow. We'll see.

**Q. What was the biggest difference between the rounds yesterday and today for you?**

**BERNHARD LANGER:** Yesterday, I hit it very close with a lot of my iron shots and made some putts. Today, made nothing. Really didn't make any putts of any sort of length. Didn't hit it quite as close. I just felt I was sometimes between clubs, and then the pin was in a very awkward position. If you go long, you've got nothing, so you took the shot. That happened three or four times. Didn't take advantage of the par 5s, either.

**Q. Have you had a chance to talk with the greats today since they've been out here?**

**BERNHARD LANGER:** Yeah, I saw them the last few days. They were here the last two or three days.

**Q. Is it just putting, Bernhard? The wind's a different direction today?**

**BERNHARD LANGER:** I was hitting the ball well, I just wasn't hitting it as close. It's easier making a six-foot putt than a 60-foot putt. As I said, some pins were very hard to get close to. I would think the scores are higher today than they were yesterday in general. The wind was up, the wind was gusting. Yesterday it was pretty calm for the most part.

**Q. The wind was in your face coming home today whereas yesterday it was downwind, or no?**

**BERNHARD LANGER:** (Inaudible.) Yesterday I was already 8 under after 15 or something and I wasn't today. I was never more than 1 under.

**Q. Is it frustrating out there, or how do you stay in it?**

**BERNHARD LANGER:** Well, it is when you're playing well and you're not getting much out of it, but it's not the first time and it won't be the last time.
