

**ROUND 2 INTERVIEW**  
**May 5, 2018**

**KENNY PERRY ( -6)**

---

**KENNY PERRY:** I'm still way behind.

**Q. Yeah, but you shot really well today.**

**KENNY PERRY:** Yeah, it was a good day. I mean, I didn't play very well yesterday, shot 1 over, and then to shoot 7 under today, you know, I really can't expect much. This is my first tournament back from shoulder surgery. Had some issues yesterday that crept up on me, so I was able to kind of sort them out a little bit and had a nice, fun day today. Actually made a few putts. They threw my right in there with the lions' den with Langer and Kelly. They've been playing great all year, so I was a little out of my element a little bit. So I was able to settle down today and play a good round of golf.

**Q. Did yesterday kind of loosen you up, do you think, for today?**

**KENNY PERRY:** Definitely. Well, when you're in 60th-something place, I'm just trying to work on my game to get ready for the majors because, you know, I'm way behind all these guys. They played all year and this is really my first event, so I've got a lot of catching up to do.

**Q. Looking forward to tomorrow, what are you expecting? Do you think your game is just going to continue to rise?**

**KENNY PERRY:** Well, I hope so. I need to shoot the same kind of score tomorrow to just even finish in the top-10. That would be great to come back and have a top-10. That would be a pretty amazing, really, so that's what we'll try to do.
